10th January 2022

Dear Members of SGNSS and Sadh Sangatji,

Wahe Guruji Ka Khalsa, Wahe Guru Ji Ki Fateh

COVID-19 – Omicron update

Let me take this opportunity to wish you all a very Happy and safe New Year.

AGM is over and the new elected committee with same members as 2021, are on board to serve for another year.

The names and portfolios of all members are posted on the website – gurdwarablackburn.com.au

The year has started with the rapid increase of Omicron cases across Victoria and Australia at large.

As per directives from authorities, it is compulsory to wear mask to enter the Gurdwara sahib. Social Distancing and other Covid safe practices are to be always followed. It is the duty of all individuals to make sure we do the right thing and follow the Covid Guidelines. It is not possible to monitor each individual and neither we have resources for the same. As responsible sangat members we expect all to be careful of our own and our fellow sangat members health and follow the Covid safety guidelines.

As a responsible management, we are taking all steps possible to make the gurdwara Safe, but we cannot be successful till we have the cooperation of the Sangat.

We will be operating the daily schedules normally, till there is any directive from the state government advising us to act otherwise. We will keep you informed in case of any change in procedures.

Gurfateh Ji
Management Committee of SGNSS
Blackburn and Hoppers Crossing.
